Dream Saga ends here. Thank you for all your support over the last two years. I had a really hard time with the storylans and sketches in this series, and I wouldn't have been able to get through it without your support. So thank you for everything I finally feel like a perfessional now. (Sorry, I don't want to sound concerted.) When you become a professional. there are so many obstacles and things that don't go as clowned You have to learn to be postent Nevertheless. I'm happy that I wrate this series. I'm a bit sad to say jonding. to Yusks, but if you remember
